Set in 1920, civil war is still raging in Russia. The famous St Petersburg singer Zinaida Kazarozza arrives in a city in the Ural. The members of the local Esperanto Club invite her to sing. Then she is shot under mysterious circumstances during the concert. The journalist and revolutionary Svechnikov, a secret admirer of Kazarozza, together with the poet Vagin, undertake to trace her murderer.

A beautiful woman: one might suspect a classic motive for murder. But during the course of the novel, the investigations into the death of Kazarozza become entwined with the story of the Esperanto movement which was very active at the beginning of the 20th century. Slowly but surely, the members of rival factions amongst these revolutionary language utopians come under suspicion of murder. In the end, however, murderer and motive are quite different to what the two "investigators" and the reader are led to expect.

Kazarozza is both an historical and a philosophical detective novel in which Yuzefovich again proves the highly stylised mastery with which he weaves his factually accurate historical material into an unusually exotic and thrilling detective story. That affectionate, ironic wink that always accompanies his heroes is also there throughout.

"One often hears the question: we know Pelevin, Sorokin, and Akunin. Are there not any other good writers? Yes there are. Leonid Yuzefovich."
– KONSERVATOR

"Since the heroine of the novel is a singer there is quite a lot about records. And when one pays attention to the passages dedicated to music, one can literally hear Kazarozza singing." – VASILY VARVARIN
